## Jerry Mullen

Jerry Mullen, Construction Observer, began his involvement with the U.S. Army in 1983.

The first four years Jerry spent on active duty with the 82<sup>nd</sup> Airborne Division at Ft. Bragg. Also in his first year, Jerry was sent to the Island of Grenada, during Operation Urgent Fury.

Following his initial active years, Jerry served as Army Reserve and did instructor teaching of Advanced Infantry Training. He was also a Drill Sergeant for a few years.

Shortly after the events of 9/11/01, Jerry was stationed in Iraq where he was involved with convoy security, and following Iraq, Jerry spent 15 months in Texas and Wisconsin teaching marksmanship.

The U.S. Army currently consists of over 675,000 Active Duty and Army Reserve Soldiers. As we reflect on the 10<sup>th</sup> anniversary of 9/11, there is no better tribute than to thank Jerry for his commitment to our county; he is a true American hero.
